### **S&S WARRANTY**

All Replacement Parts covered in this catalog are warranted for one (1) year / 100,000 miles from installation, or 18 months after purchase from S&S Truck Parts, Inc., whichever comes first. We warrant all new parts against defective material or workmanship when such parts are used in appropriate applications. We will NOT extend this warranty to parts where failure or damage was caused by misapplication, accident, or abuse.
